The Alachua County Sheriffs Office along with the National Family Week Council will sponsor a Family Fun Day on November 18<sup>th</sup> as part of National Family Week. Strong families are at the center of strong communities. Children live better lives when their families are strong and families are strong when they live in communities that connect them to economic opportunities, social networks and services.

The National Family Week Council of local businesses and organizations will be expressing thanks to the individuals, agencies and businesses that help our families thrive, and to the families themselves, by hosting the 2<sup>nd</sup> Annual Family Fun Day event.

The event will be held at Partnership for Strong Families, 515 N. Main Street in Gainesville. The event will last from 2 pm until 5 pm. The event is free and will consist of food, music, moonwalk, games, prizes, community vendors and more. The FLOWMobile will also be at the event making ID cards for children who bring their birth certificates and social security cards.
