**Media Advisory: Anniversary of Missing Persons Investigation:**

The Alachua County Sheriff's Office Cold Case Unit, partnered with the Florida Department of Law Enforcement, has been re-releasing information on the anniversary dates of unsolved homicides or suspected foul play/missing persons cases.

On 02/09/89, 20 year-old, W/F Tiffany Sessions (DOB 10/29/68) disappeared from the University of Florida. At approximately 6 p.m., Sessions told her roommate she was going for a walk and never returned. An extensive search provided no clues as to what happened to Sessions.

This year marks the 23 year anniversary of this case. Tiffany's disappearance is a time to remember and recommit to resolving as many unsolved missing persons and murder cases as possible. A tree was planted on the grounds at the Sheriff's Office as a living memorial to Tiffany and all other unsolved missing persons cases in Alachua County.

Deputies are asking anyone with information about this incident or any other missing persons or homicide case to call Detective Heather Phillips at the Alachua County Sheriff's Office at (352) 367-4185. Callers can also remain anonymous and be eligible for a reward of up to \$1,000 for information leading to an arrest by calling Crime Stoppers at 372-STOP (7867). For those that prefer the internet, anonymous tips may be left on the website at [www.alachuasheriff.org](http://www.alachuasheriff.org).
